

Attendance and Punctuality

Effective Date: _____

Absenteeism and tardiness place an undue burden on other employees and on the Kairos Security LLC. Kairos Security LLC expects regular attendance and punctuality from all employees. This means being in the workplace, ready to work, at your scheduled start time each day and completing your entire shift. Employees are also expected to return from scheduled meal and break periods on time.

All time off must be requested in writing, in advance, as outlined in the [Kairos Security LLC]'s time-off policy. If an employee is unexpectedly unable to report for work for any reason, they must directly notify their supervisor as early as possible, and preferably prior to their scheduled starting time. It is not acceptable to leave a voicemail, text, or email message with a supervisor, except in extreme emergencies. In cases that warrant leaving a voicemail, text, or email message or when an employee's direct supervisor is unavailable, a follow-up call must be made later that day.

If an illness or emergency occurs during work hours, employees should notify their supervisor as soon as possible.

Employees, who are going to be absent for more than one day, should contact their supervisor on each day of their absence. Kairos Security LLC reserves the right to ask for a physician's statement in the event of a long-term illness (three consecutive days), or multiple illnesses or injuries.

If an employee fails to notify their supervisor after three consecutive days of absence, Kairos Security LLC will presume that the employee has voluntarily resigned. Kairos Security LLC will review any extenuating circumstances that may have prevented the employee from calling in before they are removed from payroll.

Should undue or recurrent absence and tardiness become apparent, the employee will be subject to disciplinary action, up to and including termination of employment.
